# Complaints and Appeals Policy and Procedure

## Introduction

Having an effective complaints and appeals process assists The College to comply with the conditions of registration as well as giving students and client's faith in the RTO and the quality of its operations.

## Purpose

To ensure complaints and appeals are addressed efficiently and effectively. The RTO has a complaints policy to manage and respond to allegations involving the conduct of the RTO, its trainers, assessors, or other staff, a third-party providing services, on the RTOs behalf, its trainers, assessors or other staff or a learner of the RTO.

## Scope

The *Complaints and Appeals Policy and procedure* applies to all students, including prospective, current, and completed students.

The policy applies to grievances, complaints and appeals arising between parties including student-to-student, student-to-staff member, or students involved in college-approved work or vocational placement activities

Staff should refer to the *Employee Grievance Policy and Procedure* if they have a complaint to make.

## Responsibilities

The *Complaints and Appeals Policy and Procedure* is the responsibility of the Chief Executive Officer.

## Definitions

**Complaints:** Complaints arise when a student is not satisfied with any aspect of The College for example:

- The Procedures
- The Quality of a product or service provided by The College
- The Facilitators, staff, or other students.

**Grievance- Non- Academic:** is a concern about non-academic matters, perceived discrimination, a situation, a process, a person or people, a facility or a support service provided by The College which the student brings to the attention of The College in an informal way, that is, it is spoken about, not written down. Examples include, but are not limited to matters related to:

- provision of student support services such as those associated with the application and enrolment
- process, and amenities
- suspension or cancellation of enrolment for non-academic matters
- use or misuse of personal information that the provider holds in relation to the student
- grievances about financial matters, fines and payments
- fee-for-service arrangements
- exclusions from events and facilities
- job placement assistance
- perceived discrimination

# Complaints and Appeals Policy and Procedure

- unfairness and injustice
- bullying
- sexual harassment; and
- other forms of harassment.

**Grievance- Academic:** is a concern about academic matters, academic situation, or academic process provided by the Training College which the student brings to the attention of The College in an informal way, that is, it is spoken about, not written. Examples include, but are not limited to matters related to:

- academic progress decisions
- attendance procedures, where relevant
- application for credit transfer or recognition of prior learning (RPL)
- assessment issues
- a decision of a member of academic staff that affects an individual student or a group of students
- content or structure of education and training programs or quality of teaching.
- supervision of a Practicum or Vocational Placement; and
- issues related to authorship or intellectual property.

**\*Please note:** *The process for requesting a review of an assessment outcome forms part of the Student Assessment Policy and Procedure. Students should use this Student Assessment Policy and Procedure in the first instance if they wish to request a review of an assessment outcome. Students who remain dissatisfied with the outcome of their review may then use the following formal complaint section, Phase 2, of this policy (refer Section 6.3).*

**Internal Appeal:** An appeal against a decision where the appeal is brought under The College policies and code of conducts or where there is a process for appeal within The College policies and procedures

**Appeals:** *Appeals arise when a student is not satisfied with the decision made as a result of the complaint.*

- The College recognises the differences between Complaints and Appeals. A quick resolution of the matter is in the best interest of all parties concerned.
- Appeals may also arise when a student is not satisfied with an assessment outcome.
- This procedure is also included within the Student Handbook.

**External Appeal:** An appeal to an external agency against a final decision of the college. Agencies may include the Victorian Ombudsman, the Privacy Commissioner, the Victorian Equal Opportunity, and Human Rights Commissions.

**Final Decision:** A decision made by the member of staff authorised by the CEO to make that decision and communicated to the Complainant in writing when all Internal Appeal avenues within college's policy, procedures and codes have been exhausted.

**Complainant:** A person lodging a complaint or an appeal.

**Respondent:** A person responding to a complaint or an appeal.

## Policy Statement

### Complaint handling requirements

The College complaints handling process for individual students complies as follows:

- The College complaints handling policy is set out to manage and respond to allegations involving the conduct of:
  - The College as an RTO
  - The College staffs
  - third party/ies who may be engaged at some point in time to provide services on The College's behalf, its trainers, assessors, agencies, or other staff; or
  - Prospective and enrolled student(s)
- The College complaints policy:
  - ensures the principles of natural justice and procedural fairness are adopted at every stage of the complaint process
  - informs those involved of the allegations in a respectful manner
  - provides opportunities for those involved to present their side of the matter
  - fair and unbiased
  - publicly available
  - sets out the procedure for making a complaint
  - ensures complaints are acknowledged in writing and finalised as soon as practicable; and
  - provides for a review by an appropriate party independent of and the complainant at the request of the individual making the complaint if internal processes fail to resolve the complaint.
- Where The College considers more than 20 calendar days are required to process and finalise the complaint, The College:
  - informs the complainant in writing, including reasons why more than 60 calendar days are required
  - regularly updates the complainant on the progress of the matter.
- The College:
  - securely maintains records of all complaints and their outcomes; and
  - identifies potential causes of complaints and takes appropriate corrective action to eliminate or mitigate the likelihood of occurrence.

### Principles for handling complaints

The College makes sure that the process for lodging a complaint is clear and explains what will happen as a result. Students engage with staff about any concerns they have to stop minor issues becoming more serious.

The College ensures students are not disadvantaged and specifically:

- does not require students to complete overly complex forms, which can be a barrier to students expressing their concerns; or
- does not require students to provide extensive written information as part of the complaints process

PnP - Complaints, Grievances & Appeals.docx

# Complaints and Appeals Policy and Procedure

- allows students to have a support person (not legal) to be with them at all stages of the complaints process
- ensures students know the timeframe necessary to handle the matter (where it requires more than 60 days will inform in writing)
- informs students of external organisations they can refer to if they are dissatisfied with the outcome of internal complaint's handling processes
- allows anyone who has allegations made against them, to give their side of the situation before a decision has been made
- maintains student enrolment during the complaints handling process
- where the matter involves workplace delivery, the employer is positively engaged as a stakeholder in the complaints handling process.

## Procedural fairness

During all stages of the complaint's procedure The College will take all steps to ensure that:

- student(s) will not be discriminated against with students maintaining their enrolment
- a full explanation for decisions and actions taken as part of the process will be maintained at each stage
- all parties involved will have the opportunity to have their opinion heard and respected
- no cost to the student for accessing internal complaints processes
- records relating to complaints are treated as confidential and adhere to the principles of privacy and personal information requirements
- transparent information regarding external organisations is made available
- a student will maintain their enrolment during the complaint process unless the presence of the student/complainant creates an unsafe or hostile environment for staff and other students, the CEO may suspend enrolment till the duration to resolve the complaint has reached a mutually agreed and understood outcome
- all matters are handled with sensitivity to enable a safe environment for reaching a mutually satisfying outcome
- students may have a support person (not legal) to be with them at any stage of the complaints process

## Requirements, Process & Procedures

### General Information

The College's Student Complaints and Appeals Policy and Procedure applies to all grievances and complaints managed by The College, either informally or formally.

There are four (4) phases in The College Student Complaints and Appeals Policy & Procedure:

**Phase 1:** Informal Discussion

**Phase 2:** Formal Complaint

**Phase 3:** Internal Appeal

**Phase 4:** External Appeal

All students or potential students can access each of the four phases of The College Student Complaints and Appeals Policy at any time. However, it is strongly recommended that each Phase of the policy is completed before escalating to the next Phase.

### Phase 1: Informal Discussion

- The student is encouraged to raise the grievance directly with person/s involved. For example, if the grievance is about fees, the concern should be discussed in the first instance with the Course Coordinator.
- A grievance about an assessment task should be discussed in the first instance with the trainer.
- An informal discussion should take place directly between the relevant person(s) as soon as possible. The student may choose to be accompanied or assisted by a Support Person during the informal discussion phase.
- If the student has attempted to resolve the issue directly with the relevant person(s) and is not satisfied with the outcome or does not wish to directly approach the person(s) concerned, the student should discuss the grievance with the Business Analyst/Course Coordinator as soon as possible.
- The Course Coordinator will consider the issue and may suggest a course of action to resolve the issue or attempt to mediate between the student and the person(s) concerned.
- The student and other person(s) directly involved will be advised in writing of the outcome within ten (10) working days from the time the grievance was raised with the Course Coordinator.
- A record of the discussion and its outcome will be placed on the central The College Complaints Register by the Course Coordinator.
- If the student is not satisfied with the outcome, the student can escalate their grievance to Phase 2 under this policy.

### Phase 2: Formal Complaint

- a. In the second phase, the informal discussion (i.e., Phase 1) escalates to a formal process. The Complaint involves the student lodging a written complaint. The Complaint will be investigated by the Responsible Officer.
  - The student completes a Complaint Form or submits a letter to the Course Coordinator.

# Complaints and Appeals Policy and Procedure

- The student receives written acknowledgment of the Complaint within ten (10) working days of the Complaint lodgement
  - The Course Coordinator investigates the Complaint and seeks to resolve it within twenty (20) working days of it being received.
  - The student receives written notification of the outcome of the investigation once the process is complete.
  - If the student is not satisfied with the outcome, the student can escalate the complaint to **Phase 3** under this policy.
- b. To proceed to Phase 2, the student **MUST** provide the following information in writing:
- details of the Complaint
  - supporting information that the student wishes to have considered
  - an explanation of the steps already taken to try to resolve the issue informally and why the responses received are not considered satisfactory; and
  - what the student thinks needs to be done to address his/her concerns.
- c. As part of investigation process, the Course Coordinator will discuss the issues with the person(s) concerned, and if required, may discuss it with relevant staff observing the appropriate confidentiality. A meeting with the student may be arranged to enable the student to formally present their Complaint. The student may be accompanied or assisted by a Support Person at any such meeting.
- d. If the Course Coordinator considers that the Complaint should be upheld, then relevant staff will be notified immediately to implement the actions required to resolve the Complaint. The student will be provided with a written report of the steps taken to address the Complaint within twenty-five (25) working days of the commencement of the complaint process.
- e. If the Complaint is not upheld, then the student will be given a written report on the reasons for the decision. The student will also be advised of his/her right to access the Internal Appeals Process if not satisfied with the outcome of the formal Complaint and lodge this within twenty-eight (28) working days of the **Phase 2** decision.
- f. The Course Coordinator will file a written record of the Complaint and its outcome in the central The College Complaints Register.

## Phase 3: Internal Appeal

### a. General Complaints

If the student is not satisfied with the outcome from **Phase 2**, the student can escalate the complaint to **Phase 3** under this policy. This phase is referred to as an Internal Appeal and it will be investigated through a formal process at no cost to the student. The Internal Appeal will be investigated by the CEO.

- i. The student submits a written request for an internal appeal using Complaints, Grievances and Appeals Form within 28 days of receipt of the written report from **Phase 2**
- ii. The Course Coordinator may:
  - make a determination based on the information already provided
  - decide that there are insufficient grounds to take any further action, thus concluding the consideration of the matter under this Internal Appeal Phase; or
  - establish an Internal Appeal Review Panel (committee).

# Complaints and Appeals Policy and Procedure

- iii. If the decision is made to establish an Internal Appeal Review Panel, the Course Coordinator convenes the Panel within 10 working days of receipt of the Appeal Request Form
- iv. The Appeal Review Panel meets within 20 working days of receipt of the Appeal Request Form
- v. The student is given at least 5 working days of notice in advance of the Internal Appeal Review Panel meeting
- vi. The student receives written notification within 5 working days of the Panel's decision;
- vii. If the student is not satisfied with the outcome, the student can escalate the complaint to **Phase 4** under this policy.
- viii. The Internal Appeal Process will consider all relevant information. The student may attend and be accompanied by a Support Person who may speak on the student's behalf. If the Complaint which is the subject of the appeal involves other person(s), they will also be invited to present their case to the Panel. A written record of the meeting must be taken.
- ix. The student will be notified in writing within five (5) working days of the decision of the Internal Appeal Review Panel. If the appeal is upheld, the student will be informed of the action to be taken to resolve the matter. The College will immediately implement any decision and/or action required.
- x. If the Complaint is not upheld, the student will be given a written report including the reason/s for the decision and advising the student of their right to access the External Review Process.
- xi. The Course Coordinator will file a written record of the Complaint and its outcome in the central The College Complaints Register.

## Phase 4: External Appeal
